Applications open for 2025 Tasmanian Leaders Program

Applications are now open for the 2025 Tasmanian Leaders Program

The Tasmanian Leaders Program is aimed at established leaders with a strong drive to become more effective and willing to contribute to Tasmania's economic, social and environmental wellbeing.

Described by our graduates as transformative, this world-class program is delivered from February to November with a winning combination of monthly multi-day residentials and community action projects.

Delivered by expert facilitators, critical thinkers and inspiring guest speakers, this distinctively Tasmanian experience can fast-track your leadership capacity within a diverse peer network. The program's unique design ensures participants and employers benefit directly and immediately from the experience.

Places on the program are limited. Scholarships are available.

Visit www.tasmanianleaders.org.au/programs/tas-leaders-program/ to find out more.

Phillip John Farm Safety Services offers affordable, efficient, professional and relevant safety solutions to help your business fulfill its work health and safety (WHS) obligations.

Phill has a very sensible, practical and educational approach, and can use his vast experience to directly support your business's efforts in enhancing its safety performance. Phillip John Farm Safety Services will help ensure that your safety management practices are on track and working effectively, providing you with reassurance and peace of mind.

Risk Mitigation Services Offered Include:

- Provision of ongoing simple to understand and implement WHS advice and guidance.
- Reviewing and implementing business specific safety plans.
- Attendance and support at safety meetings, inductions and discussions. Phill openly shares his direct knowledge and experience in dealing with what happens when things go wrong and reinforces the importance of making the right decisions, choices, and working safely.
- Comprehensive and no-nonsense safety gap analysis specific to the individual business activities, with identified opportunities for improvement listed for actioning in order of priority.
- Steering, guiding and coaching people to successfully manage the safety component of their workplace and business operations.

About Phill:

Most recently Phill created and managed the Tasmanian Government's nation leading Safe Farming Tasmania Program. Safe Farming was specifically designed to raise awareness of farm safety issues within Tasmania's farming communities, build the capacity of farmers, farm workers and rural businesses to better manage the safety component of their individual businesses, and generally encourage positive farm safety conversations. Phill has a practical and hands on approach to safety having grown up in the Northwest farming community of South Riana.

Phill can be contacted on 0407 015 400 for a chat, or via email at phillipjohn2@gmail.com

Executive Committee Members

Tasmanian Women in Agriculture represents rural women and works to connect and support them in their endeavours.

TWIA is seeking expressions of interest from suitably qualified and experienced individuals who are interested in making a strong contribution to this not for profit organisation. We are seeking Executive Members for the Executive Committee. Individuals with lived experience in agriculture, living in a rural area or an interest in the sector are all encouraged to apply.

The Executive Committee is seeking expressions of interest from people with Board/Management Committee, Business, Agriculture and/or Not for Profit skills in governance, secretarial, grant writing and community. People with other skills that they believe are relevant to the organisation are also encouraged to apply, as are people with no previous board experience.

Your commitment:

The Executive Committee meets once a month, usually the second Tuesday, commencing at 7pm until 9pm on Zoom. Executive committee members are also expected to attend local events and contribute to the running of the organisation.

Your application:

Interested people who believe they can make a meaningful contribution to this important not for profit organisation are asked to request an application form via email from Deb Morice, the current Chair. Email address: chair@taswomeninag.org.

Applications must be submitted by 23/08/2024

Scholarships Open: 3-day Women's Leadership Program

Healthy Tasmania is excited to announce that applications are now open for scholarships to attend a transformative three-day women's leadership program in Launceston, from November 27th to 29th, 2024. Designed for women in male-dominated workplaces, the program focuses on leadership development, influential communication, and community building.

Up to 40 scholarships are available with varying levels of support, determined by need.

Key program highlights include:

- Reflect on your past and future leadership path.
- Explore personal growth, team dynamics, and effective governance.
- Master the art of influence and powerful conversations.
- Embrace your authentic leadership style.
- Design and leverage a strong support network.
- Plan for continued personal and organisational growth

Be Quick! Applications close on August 19th, 2024. For more information and to apply visit:

www.healthytasmania.com.au/scholarships.

The program is created and led by experienced Tasmanian facilitators Lucy Byrne and Penny Terry from Healthy Tasmania Pty Ltd.

Scholarships are supported by the Tasmanian Government.
